Wedding Party/Guest Services

Velveteen Salon books up quite quickly during summer months. We understand your guests want to look their best for your day and photos. Please let your entire party including guests know of our services as soon as possible, as we have limited salons in the area.

Booking Bridal Trial

Velveteen Salon likes to book your mandatory trial closer to your wedding date if possible. When the trial is too far in advance, your hair may be different in color and/or length. From experience, you may change your mind a few times.

Please have realistic ideas for what you would like before you arrive. Your stylist loves when brides use examples of their work as inspiration, but Velveteen Salon completely understands how many beautiful photos there are to choose from on Pinterest and Instagram. Please look for photos that match your color, thickness, length and texture. Those factors play a huge role in the final result so have realistic expectations. (note: the majority of those photos have been extremely edited and many incorporate extensions.)

Wedding Day Logistics

It is important that you and your attendants be on time and properly prepared. Velveteen Salon recommends you or your planner make a schedule for the day (even if it is a rough timeline). Your stylist will typically spend 1 hour on the bride and 30 minutes on your attendants. Please use your judgment and inform your stylist of any hair in your party that may require extra time (i.e. thickness, major curls, length, extensions, etc.).

As the Bride, please consider and communicate to your attendants the importance of the following criteria:

- Please have **clean, dry** hair without product for any up or down style. There will not be time set aside to blow dry. If an attendant has wet or damp hair, your stylist will charge an **additional \$50 to blow dry, only if time permits, or the blow dry becomes their full service.**
- If anyone's hair is deemed too dirty to perform service, this also shall result in a forfeited style without a refund. Please reiterate this to everyone. It is nearly impossible to create something beautiful on dirty hair.
- Wear a loose fitting top or something with buttons or a zipper to keep your style safe.
- Bring all accessories you would like to incorporate into your hairstyle.
- PLEASE prepare your attendants properly. Check out Instagram, Pintrest and our Website for ideas. If you prefer something on Pinterest, remind them that it is very important to look for similar color, texture, length, and thickness. Please choose realistic photos and have realistic expectations.

Your stylist wants you to feel as comfortable as possible, so please feel free to contact us with any questions or concerns you may have in regard to your wedding appointments.

Deposit and Payment

A \$250 non-refundable deposit is required to secure wedding day services (the "Deposit"). The Deposit covers the bride's hair trial and wedding day style. After receiving the signed Contract, Velveteen

Salon will send you an invoice via email to pay the Deposit. It will keep your credit card information on file in the event it does not receive timely payment. By signing this Contract, you hereby authorize Velveteen Salon to charge your credit card for any unpaid amounts owed, at the sole reasonable discretion of Velveteen Salon.

Final payment is due in full on the day of service. Velveteen Salon accepts cash or check. If you must pay with credit card, there will be a 5% service fee. Only ONE form of payment is accepted for the entire party. Gratuity is not included.

Late Arrivals

In the event that your stylist must wait for more than 10 minutes to begin a service, you will be charged an additional \$15 each time. Please have your attendants there at least 15 minutes before they are scheduled to secure services to avoid such fees.

Unfortunately, if the terms of this Contract cannot be fully fulfilled due to the attendants' tardiness, services may be reduced, if completed at all. Irrespective, you will be liable for the original amount owed pursuant to this Contract.

Cancellation Policy

The Deposit is non-refundable. Please make all changes or substitutions at least 31 days in advance. Your stylist will always try her best to accommodate your needs. Additions are acceptable anytime if timing permits.

In the event that you no show or make any cancellations to your contracted services less than 30 days prior to your wedding day, you shall be held responsible for the remaining balance pursuant to this Contract. Velveteen Salon reserves the right to charge your credit card on file if there are any issues with payment, as set forth above. There is a 7% service fee if Velveteen Salon must apply your credit card due a failure to comply with the terms of this Contract. Cancellations must be submitted via email.

In the unlikely event that Velveteen Salon must cancel for any reason you will be refunded in full. Velveteen Salon reserves its right to cancel this Contract in the event that you fail to comply with the terms and conditions of this Contract or any additional requirements established by your stylist.

Miscellaneous

This Contract shall be governed by and construed in accordance with the laws of the State of Colorado with venue for any action lying in Gunnison County. In the event of any controversy, claim, or dispute relating to or arising from the provisions of this Contract or the provisions contained herein, the primarily prevailing party shall be entitled to recover legal fees and related expenses (both court costs and costs of any expert witnesses or consultants) including, without limitation, all post-judgment fees and expenses and costs of collection.

By indicating my acceptance of this Contract, I affirm that I have read and fully understand its terms and I hereby agree to its terms and obligations.
